YOUR UNIQUE WEDDING VISION

BY SHEER EVER AFTER

We want to inspire you to create a unique wedding day. This workbook was made to help you to nail down how a personalized wedding style looks according to you. So how about printing a copy for yourself and your groom, and afterwards sit down to compare notes?

Firstly describe some ideas of what a meaningful wedding looks like to you.

What inspires you and what are your mutual interests?

How would others describe you as a couple?

What version of yourself would you like to highlight? For example your adventurous side, your quirky side, or maybe your extraordinary style?

What colors and furniture style do you wish you had in your own home?

Which traditional wedding aspects do you want to keep?

Is there a someone or something special you wish to pay a tribute to?

Do you have other traditions or non-traditions that you would like to include?

What decor style would you like to achieve?

What would be some elements that create that effect?

What have you always dreamed of for your wedding day, if you have?

What time of year would you like to get married?

What does your ideal venue look like?

What would you like your wedding day atmosphere to feel like?

- Fun and relaxed atmosphere
- Low-key and laid back
- Classy and luxurious
- Original with oodles of personal style
- Contemporary with a minimalist aesthetic

Something else

What music and entertainment do you both enjoy?

What colors would reflect your overall vision so far?

What foods and drink do you like that would also fit the vision?
